Notes to the notice of the Annual General Meeting (AGM)

1. A member entitled to attend and vote at the AGM is also entitled to appoint one or more proxies to attend and, on a poll, vote instead of them. A proxy need not also be a member of the Company.
2. To be valid, the instrument appointing a proxy, together with the power of attorney or other authority, if any, under which it is signed (or a notarially certified copy of such power of authority) must be deposited with the Company's Registrar, Link Group, PXS 1, Central Square, 29 Wellington Street, Leeds LS1 4DL not less than 48 hours before the time fixed for the AGM. A proxy form is enclosed with this Notice. Completion and return of the proxy form will not preclude a shareholder from attending or voting at the meeting in person if they wish. Unless otherwise indicated on the Form of Proxy, CREST or Proxymity, the proxy will vote as they think fit or, at their discretion, withhold from voting.
3. You may, if you wish, appoint more than one proxy, but each proxy must be appointed in respect of a specified number of shares within your holding. If you wish to do this, each proxy must be appointed on a separate proxy form. Please photocopy the enclosed proxy form the required number of times before completing it. When appointing more than one proxy you must indicate the number of shares in respect of which the proxy is appointed.
4. As at 24 May 2024, being the latest practicable date before the publication of this Notice, there have been no changes to the details of substantial shareholdings set out in the 2023 Annual Financial Report, nor to the Directors' interests in the ordinary shares of the Company also detailed in the 2023 Annual Financial Report
5. All of the Non-Executive Directors have a letter of appointment that appoints them to the Board for an initial three year period. These appointments can be terminated by the Company by giving one month's notice or immediately if there is a breach of their terms.
6. Any person to whom this Notice is sent who is a person nominated under section 146 of the Companies Act 2006 (the "**Act**") to enjoy information rights (a "**Nominated Person**") may, under an agreement between them and the shareholder by whom they were nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, they may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of proxies of paragraphs 1, 2 and 3 above and paragraph 8 below does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
7. Proxies may be appointed in any of the following ways:-
 - in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below; or
 - if you are an institutional investor, you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar, in accordance with the procedures set out below; or
 - by submitting a hard copy proxy directly to the Company's Registrars, Link Group, PXS 1, Central Square, 29 Wellington Street, Leeds LS1 4DL.

8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service to attend the AGM and any adjournment(s) of the AGM may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) may be properly authenticated in accordance with Euroclear UK & International Limited’s specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer’s agent (ID RA10) by 12.00 pm on the 19 June 2024. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular to those sections of the CREST Manual concerning practical limitation of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
9. If you are an institutional investor, you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 12.00 pm on 19 June 2024 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity’s associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.
10. The Company, under Regulation 41 of the Uncertificated Securities Regulations 2001, specifies that only those members entered in the register of members of the Company as at close of business on 19 June 2024, or if the AGM is adjourned, in the register of members 48 hours before the time of any adjourned meeting, shall be entitled to attend and vote at the AGM in respect of the number of ordinary shares registered in their name at the time. Changes to the entries in the register of members after the close of business on 19 June 2024 or, if the AGM is adjourned, in the register of members 48 hours before the time of any adjourned meeting, shall be disregarded in determining the rights of any person to attend or vote at the AGM.
11. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all its powers as a member provided that they do not do so in relation to the same shares.

12. Except as provided above, members who wish to communicate with the Company in relation to the AGM should do so using the following means:
 - (i) by writing to the Company Secretary at the Company's registered office, 60 Gracechurch Street, London EC3V 0HR; or
 - (ii) by writing to the Company's Registrar, Link Group, Central Square, 29 Wellington Street, Leeds LS1 4DL. No other methods of communication will be accepted, in particular you may not use any electronic address provided either in this Notice or in any related documents (including the proxy form).
13. As at 24 May 2024, being the latest practicable date before the publication of this Notice, the Company's issued share capital consisted of 244,128,487 ordinary shares, carrying one vote each. 66 Ordinary shares are held in treasury, therefore, the total voting rights in the Company at that date were 244,128,421.
14. The Annual Financial Report, this Notice and other information required by section 311A of the Act is available on the Company's website, www.cadoganpetroleum.com.
15. Under section 527 of the Act, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to:
 - a) the audit of the Company's Accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or
 - b) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which the Annual Accounts and Reports were laid in accordance with section 437 of the Act. The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.
16. Under section 319A of the Act, the Company must cause to be answered at the AGM any question relating to the business being dealt with which is put by a member attending the AGM, but no such answer need be given if:
 - a) to do so would interfere unduly with the preparation for the meeting or would involve the disclosure of confidential information,
 - b) the answer has already been given on a website in the form of an answer to a question, or
 - c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.
17. The contracts of service of executive Directors and the letters of appointment of Non-Executive Directors will be available for inspection at the registered office of the Company during normal business hours (Saturdays and Sundays/public holidays excluded) from the date of this notice until the conclusion of the AGM.

Explanatory notes on the resolutions at the 2024 AGM of Cadogan Energy Solutions plc

Resolutions 1 to 12 and 16 to 21 will be proposed as ordinary resolutions requiring the approval of more than 50% of the votes cast at the meeting and Resolutions 13 to 15 will be proposed as special resolutions requiring the approval of at least 75% of the votes cast at the meeting.

Annual Financial Report (Resolution 1)

Shareholders are being asked to receive the Annual Financial Report of the Company for the financial year ended 31 December 2023. The Annual Financial Report comprises the Annual Accounts of the Group including the Strategic Report, Directors' Report, Annual Report on Remuneration and the auditor's report on those Accounts and the auditable part of the Annual Report on Remuneration.

Approval of Annual Report on Remuneration and Remuneration Policy (Resolutions 2 and 3)

Resolution 2 seeks shareholders' authorisation to approve the Annual Report on Remuneration (excluding the part of the report, which sets out the Directors' Remuneration Policy) for the financial year ended 31 December 2023 as set out on pages 32 to 37 of the 2023 Annual Financial Report. It gives details of Directors' remuneration for the year ended 31 December 2023. Shareholders have an annual advisory vote on the report on Directors' remuneration. Resolution 3 seeks shareholders' authorisation to approve the Directors' Remuneration Policy, as set out on pages 38 to 46 of the 2023 Annual Financial Report, which takes effect immediately after the end of the AGM.

Re-election of Directors (Resolutions 4 to 7)

Under the Company's Articles of Association, every Director must seek re-election by members at least once every three years. However, it is now the Board's practice for every Director to seek re-election by shareholders every year as recommended by the UK Corporate Governance Code. Accordingly, resolutions 4 to 7 deal with the re-election of each of the Company's Directors. Biographies of each of the Directors seeking re-election are set out in the Annual Financial Report 2023. All of the Directors proposed for re-election have wide ranging business knowledge, bringing valuable skills and experience and the Board considers that each of the Directors continues to make an effective, valuable contribution and demonstrate commitment to the role. Accordingly, the Board recommends the re-election of each of these Directors.

Appointment of new Independent Non-Executive Directors (Resolutions 8 and 9)

The Nomination Committee are recommending the appointment of two Independent Non-Executive Directors, namely Charles Mack and Thibaut de Gaudemar. Their biographies can be found below:-

Charles Mack is both an advocate and a certified insolvency practitioner focused on cross-border restructuring cases. He has been appointed as administrator, liquidator and CRO manager in several national/international medium size as well as large companies. He is a member of the bar in both Munich and Padova and a Registered European Lawyer at the Bar of England & Wales. Charles has been with Studio Legale Trabucchi since he passed his law examinations and a partner since 2000 and has been a partner with White & Case as well as Brinkmann Partners in Germany. He is currently a member of the board of TMA Europe and a former president of Insol Europe.

Thibaut de Gaudemar has more than 35 years of experience in investment banking working for prominent international financial institutions in London. His last position was Vice Chairman of Capital Markets for EMEA at Credit-Suisse. He previously co-managed the Global Markets Solution Group, which encompassed Equity Capital Markets, Debt Capital Markets, Leveraged Finance and Derivatives. He was a member of the Global and the European Investment Banking Committees. Prior to joining Credit-Suisse in 2005, he was a Managing Director at Deutsche Bank and Bankers Trust in charge of the Strategic Equity Derivative Business in Europe.

Auditor (Resolutions 10 and 11)

Resolution 10 seeks shareholders' authorisation to re-appoint Moore Kingston Smith LLP as the Company's auditor to hold office until the next Annual General Meeting of the Company. Resolution 11 seeks shareholders' authorisation for the Directors to determine the auditor's remuneration.

Authority to Allot Shares (Resolution 12)

The Directors may allot or grant rights over ordinary shares only if authorised to do so by a resolution of shareholders. Resolution 12 seeks a new authority under section 551 of the Companies Act 2006 to authorise the Directors to allot shares or grant rights to subscribe for, or convert any security into, shares in the Company. It will expire at the conclusion of next year's AGM or, if earlier, on 30 September 2025. Resolution 12 follows institutional investor guidelines regarding the authority to allot shares. Paragraph (a) of resolution 12 would give the Directors authority to allot shares or grant rights to subscribe for, or convert any security into, shares ("Rights") up to a maximum nominal amount of £2,441,284.87, representing approximately one third of the Company's existing issued share capital as at 24 May 2024, being the latest practicable before the publication of this Notice. This maximum is reduced by the nominal amount of shares allotted or Rights granted pursuant to paragraph (b) of resolution 12 in excess of £2,441,284.87. Paragraph (b) of resolution 12 gives the Directors authority to allot shares or grant Rights in connection with a rights issue only up to a maximum nominal amount of £4,882,569.74 representing approximately two-thirds of the Company's existing issued share capital. This maximum is reduced by the nominal amount of shares allotted or Rights granted pursuant to paragraph (a) of resolution 12. Therefore, the maximum nominal amount of shares allotted or Rights granted under resolution 12 is £4,882,569.74, representing approximately two-thirds of the Company's existing issued share capital. The Directors do not currently intend to use the authority set out in resolution 11. If they do use the authority set out in resolution 12, then they intend to follow best practice (including as regards standing for re-election in certain cases), as recommended by institutional investor guidelines. The Company holds (as at 24 May 2024, being the latest practicable date prior to the publication of this Notice) 66 Ordinary shares in treasury, representing 0.00002% of issued share capital.

Disapplication of Pre-Emption Rights (Resolution 13)

If the Directors wish to allot any shares or grant rights over shares or sell treasury shares for cash (other than under an employee share scheme) they are required by the Companies Act 2006 to offer them to existing shareholders pro rata. In certain circumstances, it may be in the interests of the Company to raise capital without such a pre-emptive offer. Resolution 13 therefore seeks a waiver of shareholders' pre-emption rights and (aside from rights issues or other pro rata offers), the authority will be limited to the issue of securities for cash up to a maximum aggregate nominal value of £366,192.73 - approximately 5% of the Company's issued ordinary share capital (as at 24 May 2024, being the latest practicable date prior to the publication of this Notice). The Directors confirm their intention to adhere to the provisions in the Pre-emption Group Statement of Principles regarding cumulative usage of authorities over more than 7.5% of the Company's issued ordinary share capital in any three-year period. This resolution also seeks a disapplication of the pre-emption rights on a rights issue to permit such arrangements as may be appropriate to resolve legal or practical problems which, for example, might arise with overseas shareholders. The authority will expire at the conclusion of next year's AGM or, if earlier, on 30 September 2025. The Directors do not currently intend to use the authority set out in resolution 13.

Directors' Authority to Purchase Shares (Resolution 14)

The Company may wish to purchase its own shares and resolution 14 seeks authority to do so. If passed, the Company would be authorised to make market purchases up to a total of 24,412,848 shares - approximately 10% of the Company's issued ordinary share capital (as at 24 May 2024, being the latest practicable date prior to the publication of this Notice). The Directors will generally only exercise this power when the effect of such purchases is expected to increase earnings per share and will be in the best interests of shareholders generally. Shares purchased may be cancelled and the number in issue will be reduced accordingly. The Company may hold in treasury any of its own shares that it purchases in this manner. The authority will expire at the conclusion of next year's AGM or, if earlier, on 30 September 2025.

Notice of General Meetings (Resolution 15)

The purpose of resolution 15 is to allow the Company to continue to call general meetings (other than AGMs) on not less than 14 clear days' notice. The Directors do not expect to use this power unless urgent action is required on the part of the shareholders. If resolution 16 is passed, the approval will be effective until the Company's next AGM when it is expected that a similar resolution will be proposed. It should be noted that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

Appendix

Resolutions 16 to 21 - see statement below:-

The requisitioners have serious concerns about the strategic direction of the Company under the leadership of the current Directors. In particular, they have concerns about governance problems relating to: (i) the composition of the current Board of Directors, (ii) the lack of an Investment Committee, (iii) the composition and functioning of the current Committees, (iv) the management of the litigation between the Company and the Proger (recovery of a claim amounting to more than USD18 million to date), (v) the lack of strategy and investments regarding the cash assets of the Company, and (vi) the lack of transparency of the Board of Directors. The requisitioners have sought to meet with the current Directors to discuss their concerns but the Directors have failed to engage with the requisitioners in any meaningful way and the requisitioners believe that a change in leadership of the Company is necessary to ensure its short-term viability and long-term success.

Accordingly, the requisitioners propose the current Directors should be removed and replaced by new Directors who they consider have the necessary skills and experience to lead the Company.

The requisitioners propose the following new Directors:

Jacques Mahaux - Mr Mahaux (72 years, Belgian) was a Director of the Company from 15 November 2019 (and Chairman from 1 January 2024) until 22 April 2024 when he resigned as Chairman and Non-Executive Director of the Company due to his concerns regarding the above mentioned corporate governance issues. He has held various executive and directorship positions in Credit Agricole in Luxembourg, CA Indosuez, Indosuez Bank and Swiss holding companies active in industrial sectors. Previously he acted as an attorney at law at the Brussels Bar. The requisitioners continue to have confidence in Mr Mahaux and consider that his knowledge of the Company, together with his general skills and experience, mean that his return to the Company's board would be an asset to the Company.

Nicole Serruya - Ms Serruya (62 years, French) has a master's degree in private law. Previously she was legal director in various companies, including Aeroports de la Cote d'Azur (ACA) and Eiffage Construction. The requisitioners consider that her general skills and experience would be an asset to the Company.

Mischaël Modrikamen - Mr Modrikamen (58 years, Belgian) is one of the leading barristers in Belgium. He litigated multiple landmark Belgian and international cases. He has chaired the board of various companies and organisations during the last 30 years. The requisitioners consider that his general skills and experience would be an asset to the Company.

The Board recommends that shareholders vote against resolution 16 to 21.
